

- Enter the applicable tax year in the box above. **Include a completed copy of this schedule with the trust's return.**
- Complete this schedule if you claimed a reserve on the disposition of the trust's capital property at the end of the previous year, or you are claiming a reserve on the disposition of the trust's capital property at the end of the current tax year.
- Use the information from this schedule to complete Schedule 1, *Dispositions of Capital Property*, Schedule 3, *Eligible Taxable Capital Gains*, and Schedule 12, *Minimum Tax*.
- A trust cannot claim a reserve if, at the end of the year or at any time in the year immediately following, it was not a resident of Canada or was exempt from tax. This restriction does not apply to a charitable gift of a non-qualifying security.
- In most cases, you can only claim a reserve for four years. However, if the disposition occurred before November 13, 1981, there is an exception. There is also a maximum amount you can claim as a reserve. Contact us for more information.
