

### SUMMARY OF DEEMED REALIZATIONS (2002 and later taxation years)

Name of trust	Trust account number	Taxation year
	T       -         -	

#### Instructions

- Use this form to report deemed realizations on the following days:
  - A – for a spousal or common-law partner trust, on the day the beneficiary spouse or common-law partner dies;
  - B – for a joint spousal or common-law partner trust, on the day the settlor or the beneficiary spouse or common-law partner dies, whichever is later;
  - C – for an alter ego trust, on the day the settlor dies; however, if the trust filed an election not to be considered an alter ego trust, see H below;
  - D – for a trust that distributes property to a beneficiary for the beneficiary's capital interest in the trust, and it is reasonable to consider that the distribution was financed by a liability of the trust, and one of the reasons for incurring the liability was to avoid paying taxes because of the death of any individual, on the day the property was distributed;
  - E – where an individual has transferred property (other than Canadian real estate, Canadian resource property or a timber resource property, property of a business the trust carried on through a permanent establishment in Canada, or certain pension interests or rights) after December 17, 1999, to a trust for the transferor's spouse or common-law partner, and it is reasonable to conclude that the individual transferred the property while planning to emigrate from Canada, on the day the individual stops being a resident of Canada;
  - F – for a trust to which property was transferred by an individual (other than a trust) where the transfer did not result in a change in beneficial ownership of that property and no person (other than the individual) has any absolute or contingent right as a beneficiary under the trust, on the day the individual dies;
  - G – for a deemed resident trust, on the day before it stops having resident contributors with unlimited liability for the trust's tax liability;
  - H – for trusts other than those described in A, B, C, and F, on the day that is 21 years after the day the trust was created; and
  - I – for all trusts, on every 21st anniversary of the day established above in A, B, C, F, or H.
- See "Types of Trusts" in the *T3 Trust Guide* for definitions of "spousal or common-law partner trust," "joint spousal or common-law partner trust," and "alter ego trust."
- Do not report a deemed realization on any property that was actually disposed of in the taxation year, unless this is a spousal or common-law partner trust, a joint spousal or common-law partner trust, or an alter ego trust. Use the appropriate form (for example, Schedule 1, *Dispositions of Capital Property*).

**Calculation for election on Form T2223, Election Under Subsection 159(6.1) of the Income Tax Act, by a Trust to Defer Payment of Income Tax**

- To determine how much tax the trust can elect to defer, you need to calculate the following amounts:

- Line 82 (below) – Taxable income excluding deemed realizations reported on line 11 of the T3 return;

You may have to adjust the following lines on the T3 return if the amounts have increased or decreased as a result of deemed realizations:

Line 01 – Taxable capital gains;

Line 47 – Total income allocations and designations to beneficiaries;

Line 51 – Non-capital losses of other years;

Line 52 – Net capital losses of other years;

Line 53 – Capital gains deduction for resident spousal or common-law partner trust only; and

Line 54 – Other deductions to arrive at taxable income, if this line includes losses from previous years that have been fully or partially applied against income from deemed realizations.

- Line 83 (below) – Total taxes payable, based on taxable income excluding deemed realizations; and

- Line 84 (below) – Increase in total taxes payable, resulting from the deemed realizations.
