

SUMMARY OF DEEMED REALIZATIONS (in 1994 and subsequent taxation years)

Name of trust	Account number T - -	Taxation year
---------------	-------------------------------------	---------------

- Use this form to report deemed realizations on the following days and every 21 years thereafter:
 - by a spousal trust—on the day the beneficiary spouse dies;
 - by other trusts—on the 21st anniversary date of the trust; and
 - by a trust that filed Form T1015, *Election by a Trust to Defer the Deemed Realization Day*, on the first day of the first taxation year following the day after which the trust no longer has an exempt beneficiary, or January 1, 1999, whichever day is earlier.
- Do not report a deemed realization on any property that was actually disposed of in the taxation year, unless this is a post-1971 spousal trust. Use the appropriate form (for example, Schedule 1 of the T3 return) to report the actual disposition.
- Do not complete this form if the trust qualifies and elects to defer the deemed realization day. In this case, file Form T1015. For details, see the T3 guide.
