

TAX ON SPLIT INCOME – 2007

Use this form to calculate your tax on split income if you meet **all** of the following conditions:

- you were born in 1990 or later;
- you were a non-resident at no time in 2007;
- you have a parent who was resident in Canada at any time in 2007; and
- you reported on your 2007 return, split income as described below.

Split income **includes** the following amounts:

- **taxable amount of dividends (eligible and other than eligible)** from ownership of shares of a corporation (other than from shares of a class listed on a prescribed stock exchange and those of a mutual fund corporation), whether received directly or through a partnership or trust (other than a mutual fund trust);
- **shareholder benefits** (other than from ownership of shares of a class listed on a prescribed stock exchange) conferred on you, whether directly or through a partnership or trust (other than a mutual fund trust); and
- **other income** you received from a partnership or trust (other than a mutual fund trust) that came from income that a partnership or trust earned from providing property or services to, or in support of, a business carried on by:
 - a person related to you at any time in 2007;
 - a corporation of which one of your relatives was a specified shareholder at any time in 2007; or
 - a professional corporation of which one of your relatives was a shareholder at any time in 2007.

Split income **does not include** the income described above from property you inherited from a parent. It also does not include the income described above from property you inherited from anyone else provided you were either enrolled as a full-time student at a post-secondary educational institution in 2007, or you were eligible to claim the disability amount for 2007.
