

YUKON RESEARCH AND DEVELOPMENT TAX CREDIT (INDIVIDUALS)

Use this form to calculate your refundable Yukon research and development (R&D) tax credit. If you are completing a return for a corporation, use Schedule 442 of the T2 return.

Form T1232 has to be filed no later than 12 months after your filing due date for the year in which the expenditures were incurred.

You may qualify if you made eligible expenditures in the tax year for scientific research and experimental development carried out in Yukon. You must have been a resident in Yukon on the last day of the tax year to qualify.

An eligible expenditure is one that meets the definition under "qualified expenditure" in subsection 127(9) of the federal Income Tax Act.

Please give details of your eligible expenditures on a separate sheet of paper. **Attach** it and a completed copy of this form to your return.
