

## YUKON MINERAL EXPLORATION TAX CREDIT (2003 and later taxation years)

Name of corporation	Business Number	Taxation	year end	
		Year	Month	Day

- Use this schedule to claim the Yukon mineral exploration tax credit. To be eligible for the credit, a corporation must have a permanent
  establishment (as defined in section 400 of the federal *Income Tax Regulations*) in the Yukon and must have incurred eligible mineral
  exploration expenses in the taxation year. Mineral exploration expenses must have been incurred after March 31, 1999, and before
  April 1, 2004, to be eligible for the credit.
- You are not eligible to claim the Yukon mineral exploration tax credit if, at any time in the taxation year, the corporation did not
  maintain a permanent establishment in the Yukon or any of the following applies:
  - the corporation is a non-resident-owned investment corporation, or at any time of the year was controlled by a non-resident-owned investment corporation; or
  - the corporation is exempt from tax under subsection 149(1) of the federal *Income Tax Act*, or at any time of the year was controlled by one or more persons, all or part of whose income is exempt from tax.
- To claim the Yukon mineral exploration tax credit, eligible expenditures must be identified on this schedule and filed with the Canada Customs and Revenue Agency no later than 12 months after the taxation year in which the expenditures were incurred.
- Corporations that received amounts from the issuance of a security issued for the small business investment tax credit certificate—for which a business plan, filed with the application for the certificate, indicated the amounts were intended to be used for a purpose described under eligible mineral exploration expense (subsection 9.1(4) of the *Income Tax Act (Yukon)*)—must reduce their total eligible mineral exploration expenses by the amount calculated in Part 4 of this schedule.
- File one completed copy of this schedule with your *T2 Corporation Income Tax Return*. Also, send a completed copy to: Yukon Department of Finance, Box 2703, Whitehorse, Yukon, Y1A 2C6.

Access to Information and Protection of Privacy Act: The personal information requested on this form is collected under the authority of and used for the purpose of administering the *Income Tax Act (Yukon)*. Questions about the collection or use of this information can be directed to the Yukon Department of Finance at (867) 667-5343, Box 2703, Whitehorse, Yukon, Y1A 2C6.

## Part 1 – Exploration information

A mineral resource that qualifies for the credit includes the following minerals and other deposits: a base or precious metal; coal; bituminous sands or oil shale; deposits where the principal mineral extracted is ammonite gemstone, calcium chloride, diamond, gypsum, halite, kaolin, sylvite, or silica extracted from sandstone or quartzite; and deposits certified by the Minister of Natural Resources that the principal mineral extracted is an industrial mineral contained in a non-bedded deposit.

List mineral resource(s) for which exploration has taken place.
