**Table 5 - Uniform Acts Prepared, Adopted and Presently Recommended by the Conference for Enactment by Jurisdiction**

Implementing legislation is identified by date and chapter number (e.g. 2003, c.F-17). If the entry is not annotated with the letter M, P, S or E, the Uniform Act was enacted without significant modifications.

- M indicates that a Uniform Act has been enacted with modifications.
- P indicates that a Uniform Act has been enacted in part.
- S indicates that provisions that are similar in effect to the Uniform Act have been enacted.
- E indicates that existing legal rules were already similar in effect when the Uniform Act was adopted.

Uniform Acts typically fall within provincial and territorial jurisdiction rather than federal jurisdiction. Implementation at the federal level ("Canada" in the table below) is rarely called for. Implementation in Québec may differ from implementation elsewhere because of differences between the underlying civil law framework in Québec and the common law framework elsewhere.

**Tableau 5 - Lois uniformes élaborées depuis 2000 et leur mise en application selon l'autorité gouvernementale**

## Remarques:

Les lois de mise en application sont indiquées par la date et le numéro du chapitre (ex. 2003, c.F-17). En l'absence de mention, la loi uniforme a été adoptée sans modification importante. Sinon, les lettres indiquent que la loi uniforme a été adoptée :

- M avec modifications;
- P en partie;
- S indique que des dispositions dont les effets sont semblables à ceux de la loi uniforme ont été adoptées;
- E indique que des mesures législatives existantes dont les effets sont semblables aux dispositions de la loi uniforme étaient déjà en place.

Les lois uniformes relèvent habituellement des compétences provinciales et territoriales plutôt que fédérale. La mise en application au niveau fédéral (« Canada » dans le tableau ci-dessous) est rarement nécessaire. La mise en application au Québec diffère d'ailleurs des autres provinces et territoires au pays en raison des différences entre le fonctionnement du droit civil au Québec et de la common law en vigueur dans les autres régions du Canada.
