PREFACE

Publications of the Province of Nova Scotia was first issued in 1968. As the depository for Nova Scotia government publications, the Nova Scotia Legislative Library is responsible for collecting all the published output of provincial government departments, agencies and crown corporations. These publications form the basis of this annual Checklist.

For the purpose of the Checklist, the term "publications" includes all those items of information value which are available for public distribution. They include books, reports, periodicals, pamphlets, brochures, flyers and Web sites. Internal or confidential reports are not listed. Because of space consideration, posters, press releases and wall maps are also excluded.

This listing of government publications is divided into three categories: official, departmental and other publications. Official publications, consisting of gazettes, bills, statutes and regulations, debates, journals and other publications of the House of Assembly, occupy the first portion. Departmental publications are then arranged under the name of the issuing department, agency, board or commission. Publications that do not fall into either of the first two categories are listed under "other".

Nova Scotia government publications are available for review at the Legislative Library. Publications are also available for purchase through Government Publications, PO Box 637, Halifax, NS, B3J 2T3, telephone (902) 424-5200 or toll free in Nova Scotia at 1-800-670-4357, through e-mail at publications@gov.ns.ca or via the Internet at www.gov.ns.ca/snsmr/publications/. Otherwise, requests for items may be directed to the issuing department or agency.
