Subject: RE: DGR Joint Review Panel Hearing Announcement

Alex

Your letter of yesterday was received – thank you.

I have checked Kelly's schedule and find that we are both available to meet tomorrow anytime between 11am and 4pm. Alternatively, we could meet on Thursday before 2pm. Could you or Dale please let us know your preference and we will circulate the call-in information.

We would appreciate receiving the information that we have been tasked by the Panel with obtaining from the SON this week. In particular, details on the SON preferences for: presentation dates, time, length and the number and nature of presentations; questioning, room set-up and ceremonial or traditional practices are exactly what we would like to have to complete our preliminary planning. The schedule framework for the hearing has not been completed pending receipt of this information. We need to get this framework finalized and released as soon as possible in order to inform the hearing participants of their planned presentation times.

At this point, we are not able to provide you with any information on closing remarks beyond what has been provided in the Public Hearing Procedures (Section 7. Once the Panel has obtained all of the information it requires at the hearing the Panel will offer the Proponent and registered oral participants an opportunity to make brief oral closing remarks. If time does not permit oral closing remarks at the hearing, or if a registered oral participant is unavailable, the Panel may provide an opportunity to submit written closing remarks. Written closing remarks shall be limited to a maximum of 10 typed, letter-sized pages and must be submitted to the Panel Secretariat on a date to be specified by the Panel.)

Thank you,
Debra

Hello Dale

I just spoke with your office and realize that you are not in today. Just wanted to check to see if you have found a time for us to talk.

Also, thank you for the SON request to participate in the hearing. As we proceed with our planning, we would like to know the location and scheduling preferences for the SON presentation.

Thank you,
Debra

Subject: DGR Joint Review Panel Hearing Announcement

Alex, Jake and Dale

As you were notified this morning, the Joint Review Panel has announced that the public hearing for the DGR project will commence on September 16th. Attached are pdfs of the News Release and hearing procedures for your convenience. Note that although the Panel has indicated its preferred venues for the hearing to us, the locations and timing will not be confirmed until contracts are in place.

As we move forward with planning for the hearing, we would like to build on the conversations that we had in May to encourage/facilitate the participation of the SON in the hearing. We would also like to receive specific advice or suggestions from the SON to make sure that the hearing is accessible and respectful of SON culture and interests.

Are you available sometime later this week or early next week to speak with us? Please let us know if this is convenient and we will make arrangements for a call.

Thank you,

Debra Myles
