**Subject:** Preliminary Schedule for Deep Geological Repository Joint Review Panel Hearing

Please see the attached outline of the additional hearing days scheduled by the DGR Joint Review Panel and note the days that your department or ministry is expected to be available to answer any questions that the Panel may have.

You are welcome to attend the hearing in person or to follow the hearing by Webcast and be available by phone to answer questions. We may ask that you be connected by phone and on mute throughout a specific session or may just call you should a question arise. The Panel will provide us with direction on this in advance of the hearing session.

In any case, please ensure that you confirm your departmental contact and a backup and provide phone numbers for both to Marie-Clause Valade at [opg-dgr@cnscccsn.gc.ca](mailto:opg-dgr@cnscccsn.gc.ca) at your earliest convenience.

Thank you,

*Debra Myles*
