

CHICA–CANADA and BD (Becton Dickinson) will host a series of “MRSA Road Show Seminars” and “MRSA Webinars” starting in February 2008. The “Road Show Seminars” and “Webinars” are designed to educate healthcare professionals and healthcare administrators on decreasing the rate of healthcare-associated infections with the focus on Methicillin-Resistant *Staphylococcus aureus* (MRSA), the antibiotic-resistant superbug impacting millions of patients worldwide.

REGISTRATION FOR THE ROADSHOWS AND WEBINARS IS FREE!

The dates and locations for the MRSA Roadshows are:

Wednesday, February 6, 2008
Hyatt Regency
655 Burrard Street
Vancouver, British Columbia

Wednesday, March 5, 2008
