## CALGARY SITE SPECIFIC INFORMATION

### HOURS OF OPERATION

Clinical Consultation is available 24/7. Contact the Microbiologist / Virologist On Call.

### For Water Sample Drop Off

Monday to Friday: 7:00 am – 11:00 pm (after 7:00 pm you need to use buzzer by door)

Saturday: 7:00 am – 6:00 pm (you need to use buzzer by door)

Sunday/Stat holidays: 7:00 am – 5:00 pm (you need to use buzzer by door)

Water samples submitted for routine testing, received in the laboratory after 4:00 pm, are processed the next day; exceptions may apply for special investigative or follow-up sampling. If water samples must be processed after regular hours, on weekends or statutory holidays, contact the Environmental Waters Laboratory at 403-944-1215, press “5”, during regular working hours to make special arrangements. There is a 15-minutes loading zone for use while samples are dropped off in reception area.

**NOTE:** Emergency service is available 24 hours daily. Please contact the Microbiologist/Virologist On Call by either calling the ProvLab Calgary main line at 403-944-1200 (during business hours only) or directly calling the Microbiologist/Virologist on Call 24 hour contact number 403-333-4942.
