

Today's Discoveries Support Tomorrow's Health Care

May 2013

Celebrating Canada's world-class cardiovascular research sector on Parliament Hill

On May 6th, twenty leading Canadian researchers had the opportunity to meet one-on-one with over 30 MPs and Senators, including the Minister of State for Sport, Bal Gosal, at our Health Research Caucus (HRC) event on Cardiac Research and Heart Health. [View photos and read more.](#)

Left to right: Dr. Jean-Claude Tardif, Dr. Duncan J. Stewart, Dr. Robert Roberts, Ms. Deborah Gordon-El-Bihbety, Hon. Kelvin K. Ogilvie, Senator, Ms. Carol Hughes, MP for Algoma-Manitoulin-Kapuskasing, and Dr. Kirsty Duncan, MP for Etobicoke North.

From personalized and regenerative medicine, to prevention and innovative technologies, Canadian researchers are unlocking the key causes of heart disease, saving lives and making remarkable contributions to the global research community.

WHY JOIN RESEARCH CANADA?

"Research Canada provides a forum for researchers to interact with government and funding agencies...and perhaps most importantly, to be presented as a group rather than individuals."

- Dr. Robert Roberts
President & CEO
University of Ottawa
Heart Institute
