

Diversey Learning Webinar

Preparing to Resume Elective Surgeries - Patient Safety Without Compromising Quality **Tuesday, May 12, 2020** **1:00 CST**

Join Jim Gauthier, MLT, CIC, Carol Calabrese, RN, BS, CIC, and the Diversey Team who will present this session:

- Outline key facility considerations for re-opening
- Identify steps in preparation to re-open
- Outline possible components of a “new normal”
- Discuss procedures and training for environmental hygiene

Invest one hour of your time to help you plan, prepare and execute for the best patient safety without compromising quality.

Sign up [here](#) and you will receive the webinar information as soon as it is available.
