Schools

2006–07

reach every student

The following information is based on 2006–07 data reported by schools, district school boards, and school authorities. The information refers to Ontario’s publicly funded elementary and secondary schools (data for private schools are not available for 2006–07). Data are not strictly comparable with those for 2005–06 and earlier years owing to a change in data collection methods starting in 2006–07.
