# NORTHERN HIGHWAYS PROGRAM 2017-2021

## INTRODUCTION

### Creating Jobs and Building a Stronger Ontario

In 2017/18, the Ontario government will be investing more than \$2.5 billion to repair and expand provincial highways and bridges. This includes \$630 million for Northern Ontario creating or sustaining 4,400 direct and indirect jobs. Improving Ontario's transportation network is part of the government's plan to strengthen the economy.

#### 2017/18 Planned Accomplishments Northern Ontario

|  | Total |
|--|-------|
| New highways<br>(lane kms)                 | 22    |
| Highways rehabilitated<br>(centreline kms) | 384   |
| Bridges rehabilitated                      | 23    |

The timing of projects in the following lists is subject to change based on funding, planning, design, environmental approval, property acquisition and construction requirements.

## NORTHERN EXPANSION 2017 – 2021

### NORTHEASTERN ONTARIO EXPANSION 2017-2021<sup>†</sup>

| Hwy | Status   | Location  | Type of Work                                 | Target Completion Date |
|-----|----------|---|--|------------------------|
| 17  | Planned  | New commuter parking lot, Root River, Sault Ste. Marie                | New commuter parking                         | 2017                   |
| 66  | Underway | Highway realignment at Virginiatown                                   | Realignment                                  | 2017                   |
| 69  | Planned  | North of Hwy 559 northerly  | Four-laning widening                         | Beyond 2021            |
| 69  | Planned  | South of Hwy 7182 northerly 5 km                                      | Four-laning widening                         | Beyond 2021            |
| 69  | Planned  | North Hwy 7182 (Shebeshegong Rd.) northerly, north of Nobel           | Four-laning widening                         | Beyond 2021            |
| 69  | Planned  | South junction of Hwy 529 northerly, Pointe au Baril                  | Four-laning widening                         | Beyond 2021            |
| 69  | Planned  | South of north junction of Hwy 529 northerly, Pointe au Baril Station | Four-laning widening                         | Beyond 2021            |
| 69  | Planned  | Hwy 526 northerly, Britt  | Four-laning widening / New four-lane highway | Beyond 2021            |
| 69  | Underway | CNR realignment, south of Hwy 522                                     | Four-laning widening / New four-lane highway | 2017                   |
| 69  | Underway | North of Hwy 522 northerly, French River                              | Four-laning widening                         | 2020                   |
| 69  | Planned  | Hwy 69 connection to Sudbury southeast bypass                         | Four-laning widening                         | Beyond 2021            |

<sup>†</sup> The timing of projects in the following lists is subject to change based on funding, planning, design, environmental approval, property acquisition and construction requirements.

## NORTHWESTERN ONTARIO EXPANSION 2017-2021<sup>†</sup>

| Hwy   | Status   | Location   | Type of Work       | Target Completion Date |
|-------|----------|--|--------------------|------------------------|
| 11/17 | Underway | 5.0 km west of Hwy 587 easterly, Thunder Bay to Nipigon                      | Four-lane widening | 2017                   |
