EXPLANATORY NOTES

SECTION 1 amends clause 2(a) of the Prince Edward Island *Lands Protection Act* Land Identification Regulations (EC606/95) by deleting the words “who is not a resident person”, making the land identification program apply to the acquisition of land by all persons and corporations, for consistency with subsection 5(2) of the Act.

SECTION 2 amends subsection 5(2) of the regulations to delete a reference to a part of the registration process that is no longer followed. The Registrar is not privy to the land identification information and is not able to note it on the deed. Instead, the purchaser is required to disclose the existence of the land identification condition imposed by the Lieutenant Governor in Council under clause 5(1)(b) of the regulations to any future purchaser for so long as the condition remains in effect.

SECTION 3 revokes section 9 of the regulations. On the coming into force of the regulations, this section continued existing land identification agreements made under the *Planning Act*, but those agreements have now expired pursuant to subsection 8(1)of the regulations.

SECTION 4 amends subsection 10(2) to correct miss-spellings of “Commission” and “Minister”.

SECTION 5 amends the form of agreement in Schedule 1 to the regulations to reflect the correct registration procedure and to substitute gender-neutral wording.

SECTION 6 provides for the commencement of these regulations.
