4 Lorsque le revenu de l'époux faisant l'objet de la demande d'ordonnance alimentaire est supérieur à 150 000 \$, le montant de l'ordonnance est le suivant :

- a)** le montant déterminé en application de l'article 3;
- b)** si le tribunal est d'avis que ce montant n'est pas indiqué :
 - (i)** pour les premiers 150 000 \$, le montant prévu dans la table applicable, selon le nombre d'enfants mineurs visés par l'ordonnance,
 - (ii)** pour l'excédent, tout montant que le tribunal juge indiqué compte tenu des ressources, des besoins et, d'une façon générale, de la situation des enfants en cause, ainsi que de la capacité financière de chaque époux de contribuer à leur soutien alimentaire,
 - (iii)** le cas échéant, le montant déterminé en application de l'article 7.

Époux tenant lieu de père ou de mère

5 Si l'époux faisant l'objet de la demande d'ordonnance alimentaire tient lieu de père ou de mère à l'égard d'un enfant, le montant de l'ordonnance pour cet époux est le montant que le tribunal juge indiqué compte tenu des

having regard to these Guidelines and any other parent's legal duty to support the child.

Medical and dental insurance

6 In making a child support order, where medical or dental insurance coverage for the child is available to either spouse through his or her employer or otherwise at a reasonable rate, the court may order that coverage be acquired or continued.

Special or extraordinary expenses

7 (1) In a child support order the court may, on either spouse's request, provide for an amount to cover all or any portion of the following expenses, which expenses may be estimated, taking into account the necessity of the expense in relation to the child's best interests and the reasonableness of the expense in relation to the means of the spouses and those of the child and to the family's spending pattern prior to the separation:

- (a) child care expenses incurred as a result of the employment, illness, disability or education or training for employment of the spouse who has the majority of parenting time;
- (b) that portion of the medical and dental insurance premiums attributable to the child;
- (c) health-related expenses that exceed insurance reimbursement by at least \$100 annually, including orthodontic treatment, professional counselling provided by a psychologist, social worker, psychiatrist or any other person, physiotherapy, occupational therapy, speech therapy and prescription drugs, hearing aids, glasses and contact lenses;
- (d) extraordinary expenses for primary or secondary school education or for any other educational programs that meet the child's particular needs;
- (e) expenses for post-secondary education; and
- (f) extraordinary expenses for extracurricular activities.

Definition of "extraordinary expenses"

(1.1) For the purposes of paragraphs (1)(d) and (f), the term **extraordinary expenses** means

présentes lignes directrices et de toute autre obligation légale qu'a un autre père ou mère pour le soutien alimentaire de l'enfant.

Assurance médicale et dentaire

6 En rendant l'ordonnance alimentaire, le tribunal peut enjoindre à l'un des époux de contracter ou de maintenir une assurance médicale ou dentaire au profit de l'enfant, si une telle assurance est disponible par l'entremise de l'employeur de l'époux ou autrement à un taux raisonnable.

Dépenses spéciales ou extraordinaires

7 (1) Le tribunal peut, sur demande de l'un des époux, prévoir dans l'ordonnance alimentaire une somme, qui peut être estimative, pour couvrir tout ou partie des frais ci-après, compte tenu de leur nécessité par rapport à l'intérêt de l'enfant et de leur caractère raisonnable par rapport aux ressources des époux et de l'enfant et aux habitudes de dépenses de la famille avant la séparation :

- a) les frais de garde de l'enfant engagés pour permettre à l'époux ayant la majorité du temps parental d'occuper un emploi, ou de poursuivre des études ou de recevoir de la formation en vue d'un emploi, ou engagés en raison d'une maladie ou d'une invalidité de l'époux;
- b) la portion des primes d'assurance médicale et dentaire attribuable à l'enfant;
- c) les frais relatifs aux soins de santé dépassant d'au moins 100 \$ par année la somme que la compagnie d'assurance rembourse, notamment les traitements orthodontiques, les consultations professionnelles d'un psychologue, travailleur social, psychiatre ou toute autre personne, la physiothérapie, l'ergothérapie, l'orthophonie, les médicaments délivrés sur ordonnance, les prothèses auditives, les lunettes et les lentilles cornéennes;
- d) les frais extraordinaires relatifs aux études primaires ou secondaires ou à tout autre programme éducatif qui répond aux besoins particuliers de l'enfant;
- e) les frais relatifs aux études postsecondaires;
- f) les frais extraordinaires relatifs aux activités parascolaires.

Frais extraordinaires

(1.1) Pour l'application des alinéas (1)d) et f), **frais extraordinaires** s'entend :

(a) expenses that exceed those that the spouse requesting an amount for the extraordinary expenses can reasonably cover, taking into account that spouse's income and the amount that the spouse would receive under the applicable table or, where the court has determined that the table amount is inappropriate, the amount that the court has otherwise determined is appropriate; or

(b) where paragraph (a) is not applicable, expenses that the court considers are extraordinary taking into account

(i) the amount of the expense in relation to the income of the spouse requesting the amount, including the amount that the spouse would receive under the applicable table or, where the court has determined that the table amount is inappropriate, the amount that the court has otherwise determined is appropriate,

(ii) the nature and number of the educational programs and extracurricular activities,

(iii) any special needs and talents of the child or children,

(iv) the overall cost of the programs and activities, and

(v) any other similar factor that the court considers relevant.

Sharing of expense

(2) The guiding principle in determining the amount of an expense referred to in subsection (1) is that the expense is shared by the spouses in proportion to their respective incomes after deducting from the expense, the contribution, if any, from the child.

Subsidies, tax deductions, etc.

(3) Subject to subsection (4), in determining the amount of an expense referred to in subsection (1), the court must take into account any subsidies, benefits or income tax deductions or credits relating to the expense, and any eligibility to claim a subsidy, benefit or income tax deduction or credit relating to the expense.

Universal child care benefit

(4) In determining the amount of an expense referred to in subsection (1), the court shall not take into account any universal child care benefit or any eligibility to claim that benefit.

SOR/2000-337, s. 1; SOR/2000-390, s. 1(F); SOR/2005-400, s. 1; SOR/2007-59, s. 2; SOR/2020-247, s. 3.

a) des frais qui excèdent ceux que l'époux demandant une somme pour frais extraordinaires peut raisonnablement assumer, compte tenu de son revenu et de la somme qu'il recevrait en vertu de la table applicable ou, si le tribunal statue que cette somme ne convient pas, de la somme que le tribunal juge indiquée;

b) si l'alinéa a) ne s'applique pas, des frais que le tribunal considère comme extraordinaires, compte tenu :

(i) de leur montant par rapport au revenu de l'époux demandant une somme pour ces frais, y compris celle qu'il recevrait en vertu de la table applicable ou, si le tribunal statue que cette somme ne convient pas, de la somme que le tribunal juge indiquée,

(ii) de la nature et du nombre de programmes éducatifs et des activités parascolaires,

(iii) des besoins particuliers et des talents de l'enfant,

(iv) du coût global des programmes et des activités,

(v) des autres facteurs similaires que le tribunal estime pertinents.

Partage des dépenses

(2) La détermination du montant des dépenses aux termes du paragraphe (1) procède du principe qu'elles sont partagées en proportion du revenu de chaque époux, déduction faite de la contribution fournie par l'enfant, le cas échéant.

Avantage, subvention, ou déduction ou crédit d'impôt

(3) Sous réserve du paragraphe (4), lorsqu'il calcule le montant des dépenses visées au paragraphe (1), le tribunal tient compte de tout avantage ou subvention, ou déduction ou crédit d'impôt, relatifs aux dépenses, ou de l'admissibilité à ceux-ci.

Prestations universelles pour la garde d'enfants

(4) Le tribunal ne tient pas compte des prestations universelles pour la garde d'enfants, ou de l'admissibilité à celles-ci, dans le calcul du montant des dépenses visées au paragraphe (1).

DORS/2000-337, art. 1; DORS/2000-390, art. 1(F); DORS/2005-400, art. 1; DORS/2007-59, art. 2; DORS/2020-247, art. 3.

Split parenting time

8 If there are two or more children, and each spouse has the majority of parenting time with one or more of those children, the amount of a child support order is the difference between the amount that each spouse would otherwise pay if a child support order were sought against each of the spouses.

SOR/2020-247, s. 4.

Shared parenting time

9 If each spouse exercises not less than 40% of parenting time with a child over the course of a year, the amount of the child support order must be determined by taking into account

- (a) the amounts set out in the applicable tables for each of the spouses;
- (b) the increased costs of shared parenting time arrangements; and
- (c) the conditions, means, needs and other circumstances of each spouse and of any child for whom support is sought.

SOR/2020-247, s. 5.

Undue hardship

10 (1) On either spouse's application, a court may award an amount of child support that is different from the amount determined under any of sections 3 to 5, 8 or 9 if the court finds that the spouse making the request, or a child in respect of whom the request is made, would otherwise suffer undue hardship.

Circumstances that may cause undue hardship

(2) Circumstances that may cause a spouse or child to suffer undue hardship include the following:

- (a) the spouse has responsibility for an unusually high level of debts reasonably incurred to support the spouses and their children prior to the separation or to earn a living;
- (b) the spouse has unusually high expenses in relation to exercising parenting time with a child;

Temps parental exclusif

8 S'il y a plus d'un enfant et que les deux époux ont chacun la majorité du temps parental avec un ou plusieurs d'entre eux, le montant de l'ordonnance alimentaire est égal à la différence entre les montants que les époux auraient à payer si chacun d'eux faisait l'objet d'une demande d'ordonnance alimentaire.

DORS/2020-247, art. 4.

Temps parental partagé

9 Si les deux époux exercent chacun au moins 40 % du temps parental au cours d'une année avec un enfant, le montant de l'ordonnance alimentaire est déterminé compte tenu :

- a) des montants figurant dans les tables applicables à l'égard de chaque époux;
- b) des coûts plus élevés associés au temps parental partagé;
- c) des ressources, des besoins et, d'une façon générale, de la situation de chaque époux et de tout enfant pour lequel une pension alimentaire est demandée.

DORS/2020-247, art. 5.

Difficultés excessives

10 (1) Le tribunal peut, sur demande de l'un des époux, fixer comme montant de l'ordonnance alimentaire un montant différent de celui qui serait déterminé en application des articles 3 à 5, 8 et 9, s'il conclut que, sans cette mesure, l'époux qui fait cette demande ou tout enfant visé par celle-ci éprouverait des difficultés excessives.

Exemples

(2) Des difficultés excessives peuvent résulter, notamment :

- a) des dettes anormalement élevées qui sont raisonnablement contractées par un époux pour soutenir les époux et les enfants avant la séparation ou pour gagner un revenu;
- b) des frais anormalement élevés liés à l'exercice par un époux du temps parental auprès des enfants;
- c) des obligations légales d'un époux découlant d'un jugement, d'une ordonnance ou d'une entente de séparation écrite pour le soutien alimentaire de toute personne;
- d) des obligations légales d'un époux pour le soutien alimentaire d'un enfant, autre qu'un enfant à charge, qui :

(ii) the age of majority or over but is unable, by reason of illness, disability or other cause, to obtain the necessaries of life; and

(e) the spouse has a legal duty to support any person who is unable to obtain the necessaries of life due to an illness or disability.

Standards of living must be considered

(3) Despite a determination of undue hardship under subsection (1), an application under that subsection must be denied by the court if it is of the opinion that the household of the spouse who claims undue hardship would, after determining the amount of child support under any of sections 3 to 5, 8 or 9, have a higher standard of living than the household of the other spouse.

Standards of living test

(4) In comparing standards of living for the purpose of subsection (3), the court may use the comparison of household standards of living test set out in Schedule II.

Reasonable time

(5) Where the court awards a different amount of child support under subsection (1), it may specify, in the child support order, a reasonable time for the satisfaction of any obligation arising from circumstances that cause undue hardship and the amount payable at the end of that time.

Reasons

(6) Where the court makes a child support order in a different amount under this section, it must record its reasons for doing so.

SOR/2020-247, s. 6.

Elements of a Child Support Order

Form of payments

11 The court may require in a child support order that the amount payable under the order be paid in periodic payments, in a lump sum or in a lump sum and periodic payments.

(ii) est majeur, sans pouvoir, pour cause notamment de maladie ou d'invalidité, subvenir à ses propres besoins;

e) des obligations légales d'un époux pour le soutien alimentaire de toute personne qui ne peut subvenir à ses propres besoins pour cause de maladie ou d'invalidité.

Niveaux de vie

(3) Même s'il conclut à l'existence de difficultés excessives, le tribunal doit rejeter la demande faite en application du paragraphe (1) s'il est d'avis que le ménage de l'époux qui les invoque aurait, par suite de la détermination du montant de l'ordonnance alimentaire en application des articles 3 à 5, 8 et 9, un niveau de vie plus élevé que celui du ménage de l'autre époux.

Méthode de comparaison des niveaux de vie

(4) Afin de comparer les niveaux de vie des ménages visés au paragraphe (3), le tribunal peut utiliser la méthode prévue à l'annexe II.

Période raisonnable

(5) S'il rajuste le montant de l'ordonnance alimentaire en vertu du paragraphe (1), le tribunal peut, dans l'ordonnance, prévoir une période raisonnable pour permettre à l'époux de satisfaire les obligations qui causent des difficultés excessives et fixer le montant de celle-ci à l'expiration de cette période.

Motifs

(6) Le tribunal doit enregistrer les motifs de sa décision de rajuster le montant de l'ordonnance alimentaire en vertu du présent article.

DORS/2020-247, art. 6.

Éléments de l'ordonnance alimentaire

Forme de paiement

11 Le tribunal peut exiger dans l'ordonnance alimentaire que le montant de celle-ci soit payable sous forme de capital ou de pension, ou des deux.

- (f) the date on which the lump sum or first payment is payable and the day of the month or other time period on which all subsequent payments are to be made.

Variation of Child Support Orders

Circumstances for variation

14 For the purposes of subsection 17(4) of the Act, any one of the following constitutes a change of circumstances that gives rise to the making of a variation order in respect of a child support order:

- (a) in the case where the amount of child support includes a determination made in accordance with the applicable table, any change in circumstances that would result in a different child support order or any provision thereof;
- (b) in the case where the amount of child support does not include a determination made in accordance with a table, any change in the condition, means, needs or other circumstances of either spouse or of any child who is entitled to support; and

Modification de l'ordonnance alimentaire

Changements de situation

14 Pour l'application du paragraphe 17(4) de la Loi, l'un ou l'autre des changements ci-après constitue un changement de situation au titre duquel une ordonnance alimentaire modificative peut être rendue :

- a) dans le cas d'une ordonnance alimentaire dont tout ou partie du montant a été déterminé selon la table applicable, tout changement qui amènerait une modification de l'ordonnance ou de telle de ses dispositions;
- b) dans le cas d'une ordonnance alimentaire dont le montant n'a pas été déterminé selon une table, tout changement dans les ressources, les besoins ou, d'une façon générale, dans la situation de l'un ou l'autre des époux ou de tout enfant ayant droit à une pension alimentaire;

Income

Determination of annual income

15 (1) Subject to subsection (2), a spouse's annual income is determined by the court in accordance with sections 16 to 20.

Agreement

(2) Where both spouses agree in writing on the annual income of a spouse, the court may consider that amount to be the spouse's income for the purposes of these Guidelines if the court thinks that the amount is reasonable having regard to the income information provided under section 21.

Calculation of annual income

16 Subject to sections 17 to 20, a spouse's annual income is determined using the sources of income set out under the heading "Total income" in the T1 General form issued by the Canada Revenue Agency and is adjusted in accordance with Schedule III.

SOR/2000-337, s. 3; SOR/2007-59, s. 4.

Pattern of income

17 (1) If the court is of the opinion that the determination of a spouse's annual income under section 16 would not be the fairest determination of that income, the court may have regard to the spouse's income over the last three years and determine an amount that is fair and reasonable in light of any pattern of income, fluctuation in income or receipt of a non-recurring amount during those years.

Non-recurring losses

(2) Where a spouse has incurred a non-recurring capital or business investment loss, the court may, if it is of the opinion that the determination of the spouse's annual income under section 16 would not provide the fairest determination of the annual income, choose not to apply sections 6 and 7 of Schedule III, and adjust the amount of the loss, including related expenses and carrying charges and interest expenses, to arrive at such amount as the court considers appropriate.

SOR/2000-337, s. 4.

Shareholder, director or officer

18 (1) Where a spouse is a shareholder, director or officer of a corporation and the court is of the opinion that the amount of the spouse's annual income as determined under section 16 does not fairly reflect all the money available to the spouse for the payment of child support,

Revenu

Détermination du revenu annuel

15 (1) Sous réserve du paragraphe (2), le revenu annuel de l'époux est déterminé par le tribunal conformément aux articles 16 à 20.

Entente

(2) Si les époux s'entendent, par écrit, sur le revenu annuel de l'un d'eux, le tribunal peut, s'il juge que ce montant est raisonnable compte tenu des renseignements fournis en application de l'article 21, considérer ce montant comme le revenu de l'époux pour l'application des présentes lignes directrices.

Calcul du revenu annuel

16 Sous réserve des articles 17 à 20, le revenu annuel de l'époux est déterminé au moyen des sources de revenu figurant sous la rubrique « Revenu total » dans la formule T1 Générale établie par l'Agence du revenu du Canada, et est rajusté conformément à l'annexe III.

DORS/2000-337, art. 3; DORS/2007-59, art. 4.

Tendance du revenu

17 (1) S'il est d'avis que la détermination du revenu annuel de l'époux en application de l'article 16 ne correspond pas à la détermination la plus équitable, le tribunal peut, compte tenu du revenu de l'époux pour les trois dernières années, déterminer une somme équitable et raisonnable en fonction de toute tendance ou fluctuation du revenu au cours de cette période ou de toute somme non récurrente reçue au cours de celle-ci.

Pertes non récurrentes

(2) Si l'époux a subi une perte en capital ou une perte au titre de placements d'entreprise non récurrentes, le tribunal peut, s'il est d'avis que la détermination du revenu annuel de l'époux en application de l'article 16 ne correspond pas à la détermination la plus équitable, rajuster le montant de la perte, y compris les dépenses y afférentes et les frais financiers et frais d'intérêt, de la façon qu'il juge indiquée, au lieu de le faire en application des articles 6 ou 7 de l'annexe III.

DORS/2000-337, art. 4.

Actionnaires, administrateurs ou dirigeants

18 (1) Si l'époux est un actionnaire, administrateur ou dirigeant d'une société, le tribunal peut, s'il est d'avis que son revenu annuel déterminé conformément à l'article 16 ne correspond pas fidèlement aux sommes disponibles pour payer une pension alimentaire pour enfants, tenir compte des situations visées à l'article 17 et inclure dans le revenu annuel :

the court may consider the situations described in section 17 and determine the spouse's annual income to include

- (a)** all or part of the pre-tax income of the corporation, and of any corporation that is related to that corporation, for the most recent taxation year; or
- (b)** an amount commensurate with the services that the spouse provides to the corporation, provided that the amount does not exceed the corporation's pre-tax income.

Adjustment to corporation's pre-tax income

(2) In determining the pre-tax income of a corporation for the purposes of subsection (1), all amounts paid by the corporation as salaries, wages or management fees, or other payments or benefits, to or on behalf of persons with whom the corporation does not deal at arm's length must be added to the pre-tax income, unless the spouse establishes that the payments were reasonable in the circumstances.

Imputing income

19 (1) The court may impute such amount of income to a spouse as it considers appropriate in the circumstances, which circumstances include the following:

- (a)** the spouse is intentionally under-employed or unemployed, other than where the under-employment or unemployment is required by the needs of a child of the marriage or any child under the age of majority or by the reasonable educational or health needs of the spouse;
- (b)** the spouse is exempt from paying federal or provincial income tax;
- (c)** the spouse lives in a country that has effective rates of income tax that are significantly lower than those in Canada;
- (d)** it appears that income has been diverted which would affect the level of child support to be determined under these Guidelines;
- (e)** the spouse's property is not reasonably utilized to generate income;
- (f)** the spouse has failed to provide income information when under a legal obligation to do so;
- (g)** the spouse unreasonably deducts expenses from income;

b) soit un montant correspondant à la valeur des services qu'il fournit à la société, jusqu'à concurrence du montant de profit avant impôt de celle-ci.

Rajustement du profit avant impôt

(2) Aux fins de la détermination du profit avant impôt d'une société en application du paragraphe (1), les montants qu'elle paie, au titre notamment des salaires, rémunérations, frais de gestion ou avantages, aux personnes avec lesquelles elle a un lien de dépendance, ou au nom de celles-ci, sont ajoutés au profit avant impôt de la société, à moins que l'époux n'établisse qu'ils sont raisonnables dans les circonstances.

Attribution de revenu

19 (1) Le tribunal peut attribuer à l'époux le montant de revenu qu'il juge indiqué, notamment dans les cas suivants :

- a)** l'époux a choisi de ne pas travailler ou d'être sous-employé, sauf s'il a fait un tel choix lorsque l'exigent les besoins d'un enfant à charge ou de tout autre enfant mineur ou des circonstances raisonnables liées à sa santé ou la poursuite d'études par lui;
- b)** il est exempté de l'impôt fédéral ou provincial;
- c)** il vit dans un pays où les taux d'imposition effectifs sont considérablement inférieurs à ceux en vigueur au Canada;
- d)** des revenus semblent avoir été détournés, ce qui aurait pour effet d'influer sur le montant de l'ordonnance alimentaire à déterminer en application des présentes lignes directrices;
- e)** les biens de l'époux ne sont pas raisonnablement utilisés pour gagner un revenu;
- f)** il n'a pas fourni les renseignements sur le revenu qu'il est légalement tenu de fournir;
- g)** il déduit de façon déraisonnable des dépenses de son revenu;
- h)** il tire une portion considérable de son revenu de dividendes, de gains en capital ou d'autres sources qui

(h) the spouse derives a significant portion of income from dividends, capital gains or other sources that are taxed at a lower rate than employment or business income or that are exempt from tax; and

(i) the spouse is a beneficiary under a trust and is or will be in receipt of income or other benefits from the trust.

Reasonableness of expenses

(2) For the purpose of paragraph (1)(g), the reasonableness of an expense deduction is not solely governed by whether the deduction is permitted under the *Income Tax Act*.

SOR/2000-337, s. 5.

Non-resident

20 (1) Subject to subsection (2), where a spouse is a non-resident of Canada, the spouse's annual income is determined as though the spouse were a resident of Canada.

Non-resident taxed at higher rates

(2) If a spouse is a non-resident of Canada and resides in a country that has effective rates of income tax that are significantly higher than those applicable in the province in which the other spouse habitually resides, the spouse's annual income is the amount that the court determines to be appropriate taking those rates into consideration.

SOR/2005-400, s. 2; SOR/2020-247, s. 7(E).

DORS/2000-337, art. 5.

Non-résident

20 (1) Le revenu annuel de l'époux qui ne réside pas au Canada est déterminé comme s'il y résidait.

Taux d'imposition effectifs supérieurs

(2) Toutefois, si l'époux réside dans un pays où les taux d'imposition effectifs sont substantiellement supérieurs à ceux applicables dans la province où l'autre époux réside habituellement, son revenu annuel est celui que le tribunal juge indiqué compte tenu de ces taux.

SCHEDULE I

(Subsection 2(1))

Federal Child Support Tables

Notes:

- 1 The federal child support tables set out the amount of monthly child support payments for each province on the basis of the annual income of the spouse ordered to pay child support (the “support payer”) and the number of children for whom a table amount is payable. Refer to these Guidelines to determine whether special measures apply.
- 2 There is a threshold level of income below which no amount of child support is payable. The threshold is set at \$12,000. Child support amounts are specified for annual incomes up to \$150,000. For support payers with annual incomes over \$150,000, refer to section 4 of these Guidelines to determine the amount of child support.
- 3 Income is set out in the tables in increments of \$1,000. Monthly amounts are determined by adding the applicable basic amount and the amount calculated by multiplying the applicable percentage by the portion of the income that exceeds the lower amount within that range of income.

Example:

Province: British Columbia

Number of children: 2

Annual income of support payer: \$48,370

Basic amount: \$752

Percentage: 1.4%

Lower amount of the income range: \$48,000

The amount of monthly child support is calculated as follows:

$$\$752 + [1.4\% \times (\$48,370 - \$48,000)]$$

$$\$752 + [1.4/100 \times \$370]$$

$$\$752 + [0.014 \times \$370]$$

$$\$752 + \$5.18 = \$757.18$$

- 4 There are separate tables for each province. The amounts vary from one province to another because of differences in provincial income tax rates. The tables are in the following order:

(a) Ontario;

ANNEXE I

(paragraphe 2(1))

Tables fédérales de pensions alimentaires pour enfants

Notes :

- 1 Les tables fédérales de pensions alimentaires pour enfants fixent, pour chaque province, le paiement mensuel de la pension alimentaire, selon le revenu de l'époux tenu de verser celle-ci (le « débiteur alimentaire ») et le nombre d'enfants en cause. Reportez-vous aux présentes lignes directrices pour savoir si des mesures spéciales s'appliquent.
- 2 Il y a un seuil de revenu au-dessous duquel aucune pension alimentaire pour enfants n'est exigible. Ce seuil est de 12 000 \$. Les montants de pensions alimentaires sont indiqués pour les revenus annuels de 150 000 \$ et moins. Pour les débiteurs alimentaires dont le revenu annuel dépasse 150 000 \$, reportez-vous à l'article 4 des présentes lignes directrices pour déterminer le montant de la pension alimentaire.
- 3 Le revenu est indiqué par tranche de 1 000 \$. Le paiement mensuel correspond à la somme du montant de base applicable et du produit de la multiplication de la partie de revenu excédant le montant inférieur de la tranche de revenu applicable par le pourcentage indiqué.

Exemple :

Province : Colombie-Britannique

Nombre d'enfants : 2

Revenu annuel du débiteur alimentaire : 48 370 \$

Montant de base : 752 \$

Pourcentage : 1,4 %

Montant inférieur de la tranche de revenu : 48 000 \$

Le paiement mensuel de la pension alimentaire est ainsi calculé :

$$752 \$ + [1,4 \% \times (48\,370 \$ - 48\,000 \$)]$$

$$752 \$ + [1,4/100 \times 370 \$]$$

$$752 \$ + [0,014 \times 370 \$]$$

$$752 \$ + 5,18 \$ = 757,18 \$$$

- 4 Il y a des tables distinctes pour chaque province. Les montants varient d'une province à l'autre en raison des différents taux d'imposition de chaque province. Les tables figurent dans l'ordre suivant :

a) Ontario

- (b)** Quebec;
- (c)** Nova Scotia;
- (d)** New Brunswick;
- (e)** Manitoba;
- (f)** British Columbia;
- (g)** Prince Edward Island;
- (h)** Saskatchewan;
- (i)** Alberta;
- (j)** Newfoundland and Labrador;
- (k)** Yukon;
- (l)** Northwest Territories; and
- (m)** Nunavut.

5 *The amounts in the tables are based on economic studies of average spending on children in families at different income levels in Canada. They are calculated on the basis that child support payments are no longer taxable in the hands of the receiving parent and no longer deductible by the paying parent. They are calculated using a mathematical formula and generated by a computer program.*

6 *The formula referred to in note 5 sets support amounts to reflect average expenditures on children by a spouse with a particular number of children and level of income. The calculation is based on the support payer's income. The formula uses the basic personal amount for non-refundable tax credits to recognize personal expenses, and takes other federal and provincial income taxes and credits into account. Federal child tax benefits and the portion of the Goods and Services Tax/Harmonized Sales Tax credit that is attributable to children are excluded from the calculation. At lower income levels, the formula sets the amounts to take into account the combined impact of taxes and child support payments on the support payer's limited disposable income.*

- b)** Québec
- c)** Nouvelle-Écosse
- d)** Nouveau-Brunswick
- e)** Manitoba
- f)** Colombie-Britannique
- g)** Île-du-Prince-Édouard
- h)** Saskatchewan
- i)** Alberta
- j)** Terre-Neuve-et-Labrador
- k)** Yukon
- l)** Territoires du Nord-Ouest
- m)** Nunavut

5 *Les montants figurant dans les tables reposent sur des études économiques sur ce qu'il en coûte pour élever des enfants dans des familles à divers niveaux de revenu au Canada. Ils ont été calculés compte tenu du fait que les pensions alimentaires reçues ne sont plus imposables et que celles payées ne sont plus déductibles. Ils ont été calculés selon une formule mathématique et produits au moyen d'un programme informatique.*

6 *La formule visée à la note 5 permet d'établir des montants de pensions alimentaires qui tiennent compte de la dépense moyenne que représente un enfant pour un époux avec un nombre d'enfants et un revenu donnés. Le calcul se fonde sur le revenu du débiteur alimentaire. La formule tient compte du crédit d'impôt non remboursable au titre du montant personnel de base pour reconnaître les dépenses personnelles. Elle tient également compte d'autres taxes et crédits fédéraux et provinciaux sur le revenu. Les prestations fiscales fédérales pour enfants et la portion du crédit pour la taxe sur les produits et services/taxe de vente harmonisée attribuable aux enfants sont exclues du calcul. Pour les revenus annuels moins élevés, la formule permet d'établir le montant sans perdre de vue l'incidence combinée des impôts et des paiements de la pension alimentaire pour enfants sur le revenu disponible limité dont dispose le débiteur alimentaire.*

Méthode

2 La méthode de comparaison des niveaux de vie des ménages est la suivante :

ÉTAPE 1

Établir, pour chaque ménage, le revenu annuel de toutes les personnes du ménage selon la formule suivante :

$$A - B - C$$

où :

- B** is the federal and provincial taxes payable on the person's taxable income, and
- C** is the person's source deductions for premiums paid under the *Employment Insurance Act* and contributions made to the *Canada Pension Plan* and the *Quebec Pension Plan*.

Where the information on which to base the income determination is not provided, the court may impute income in the amount it considers appropriate.

STEP 2

Adjust the annual income of each person in each household by

(a) deducting the following amounts, calculated on an annual basis:

(i) any amount relied on by the court as a factor that resulted in a determination of undue hardship, except any amount attributable to the support of a member of the household that is not incurred due to a disability or serious illness of that member,

(ii) the amount that would otherwise be payable by the person in respect of a child to whom the order relates, if the pleading of undue hardship was not made,

(A) under the applicable table, or

(B) as is considered by the court to be appropriate, where the court considers the table amount to be inappropriate,

A représente le revenu de la personne, déterminé conformément aux articles 15 à 20 des présentes lignes directrices;

B les impôts fédéral et provincial à payer sur le revenu imposable de la personne;

C les retenues à la source de la personne pour les cotisations payées au titre de la *Loi sur l'assurance-emploi* et les cotisations au Régime de pensions du Canada ou au Régime de rentes du Québec.

Le tribunal peut, si les renseignements sur le revenu ne lui sont pas fournis, attribuer à la personne le montant de revenu qu'il juge indiqué.

ÉTAPE 2

Rajuster le revenu annuel de chaque personne du ménage par :

a) déduction des montants suivants, calculés sur une base annuelle :

(i) le montant sur lequel se fonde le tribunal pour établir l'existence de difficultés excessives, sauf tout montant attribuable au soutien alimentaire d'une personne du ménage qui n'est pas engagé pour cause de maladie grave ou d'invalidité de ce membre,

(ii) le montant de l'ordonnance alimentaire qui serait payable par la personne, s'il n'y avait pas de demande pour difficultés excessives, à l'égard de l'enfant visé par l'ordonnance :

(A) selon la table applicable,

(B) selon ce que le tribunal juge indiqué, s'il est d'avis que le montant de la table applicable n'est pas indiqué,

(A) le montant déjà déduit en application du sous-alinéa (i),

b) addition des montants suivants, calculés sur une base annuelle :

(i) le montant de l'ordonnance alimentaire auquel la personne aurait droit, s'il n'y avait pas de demande pour difficultés excessives, à l'égard de l'enfant visé par l'ordonnance :

(A) selon la table applicable,

(ii) any amount of child support that the person has received for any child under a judgment, order or written separation agreement.

(B) selon ce que le tribunal juge indiqué, s'il est d'avis que le montant de la table applicable n'est pas indiqué,

(ii) le montant reçu par la personne à titre de pension alimentaire pour tout enfant et qui découle d'un jugement, d'une ordonnance ou d'une entente de séparation écrite.
